## Join us for 2019-2020!

### Who Are We?

Family, Friends, Community Members who enhance Music and Performing Arts Education in Simsbury Public Schools by:

- Supporting teacher requests for funding guest artists, workshops, clinics, adjudication, transportation costs, theatre lighting and more...
- Sponsoring Annual Town-wide Music Festival
- Sponsoring Town-wide Elementary Chorus

These experiences cannot be funded by the Board of Education budget. Our goal is to get closer to funding 100% of teacher requests for student growth and development. Without your generous support these enrichment opportunities would not be possible.

*"It was so inspiring for my son to learn from talented musicians and very good for him to see what people can accomplish. I wish that we had more of these clinics throughout the year because I think it is the greatest motivator for students to practice their instruments more and to strive to become better musicians."*

- Latimer Lane Parent

*"It was fun to learn to fiddle. It is very energetic and and different from music we played in the past. The guest artists were amazing musicians and teachers and the audience seemed to really like the concert."*

- Townwide Orchestra Festival Participant

Sincerely,

The Friends For Music Board
